and 14 years

Min One Age Manager per 15 Children – Induction & Training required.

Age Managers are required to be a member of the club.

Aim: More than one age manager per group and receive agee manager training.

Need: To complete Working With Children Check paperwork

Future Aim: One age Manager in each group to hold Bronze Medallion or First Aid Cert.

Water Safety

Require to have Bronze Medallion/SRC and be proficient. Please consider Swim Training.

Target 4 Water Safety per age group.

Ratio 1 water safety to every 5 children in the water. – This is SLSA – Regulations.

May be required to have 1:1 ratio with some new nippers

Water Safety are required for insurance reasons to be a member of the club.

Community
Education
Involvement

if any of you are involved in any other community clubs/ organisation eg Rural Fire Service, National Parks, Marine Discovery or any Maritime or Emergency Services and would be interested in talking to our Nippers about what you do. We are trying to vary our structure during the education time slot to maintain interest and variety.

Carnival Officials

Our target is to have 2 officials per age group. – Available at Carnivals.

Training is required at the branch – The club pays the course fees for each participant.

Tathra require 7 new officials each season – One per age group. 7,8,9,10,11,12,13.

BBQ and
Fundraising Event
Assistance

Each Sunday a BBQ is provided at minimal cost for Nippers and Families

Assistance is required to cook and prepare each week

Events such as Wharf to Waves relies on volunteer assistance from our nipper parents.

Can you Help?

Set Up
Equipment
Assistant
or Sponsor

Each week for general nippers we require equipment eg Shade tent to be set up for nippers active and packed down at the days conclusion. – Also clean up.

The Club also requires financial sponsors and other support in many other ways –

You may know someone who can help.
